

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

Celli v. NYC DOE et al *Gardner* case no. 24-cv-09743  
24-cv-09743  
Re: Motion to issue summons either to the US Marshals or me.

Dear Judge Rearden,

I respectfully move for the issuance of summonses to either myself or to the US Marshals in the case of NYS wage theft allegedly committed by Randi Weingarten. The prolonged delay in addressing this matter has allowed Randi Weingarten to potentially evade accountability for her actions. It is imperative that swift action is taken to ensure justice is served.

Furthermore, I am concerned that the appearance of Your Honor being politically influenced by Senator Gillibrand in this case may constitute a violation of the code of conduct for judges. It is essential that the integrity and impartiality of the judicial process are maintained in order to uphold the rule of law.

**Please Take Notice**, Sen. Schumer, Sen. Gillibrand, and Randi Weingarten form a trinity that cannot be ignored.

I urge Your Honor to promptly issue summonses and proceed with the necessary legal proceedings to hold Randi Weingarten accountable for any potential wage theft that may have occurred.

Thank you for your attention to this matter.

Sincerely,  
Lucio Celli
